A two-day interactive workshop where we explore the challenges of the work and engage in activities designed to enhance supervisory skills and practice.

Day One:

- Connection, deep listening and presence
- Intuition
- Diving into troubled waters (with individuals and groups)

Day Two:

- Leadership
- Transference, counter-transference and the parallel process
- Supervising supervisors

Throughout this program, our aim is to deepen your practice as a Supervisor and develop and extend sound leadership qualities.

There will be a strong focus on experiential learning and multiple opportunities for skills practice in small groups.
